

# Overdrive:

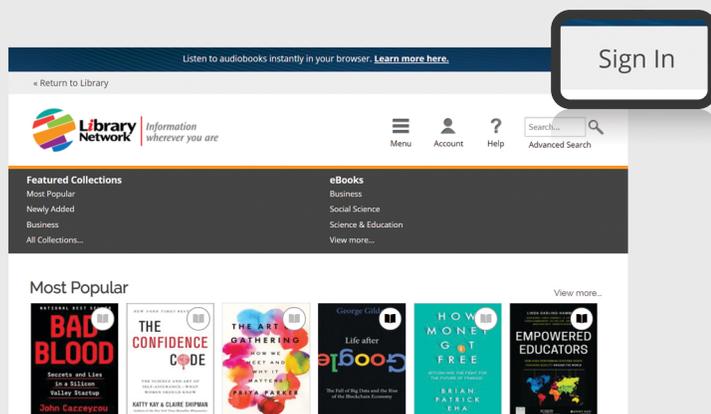

Browse e-books from your desktop

1

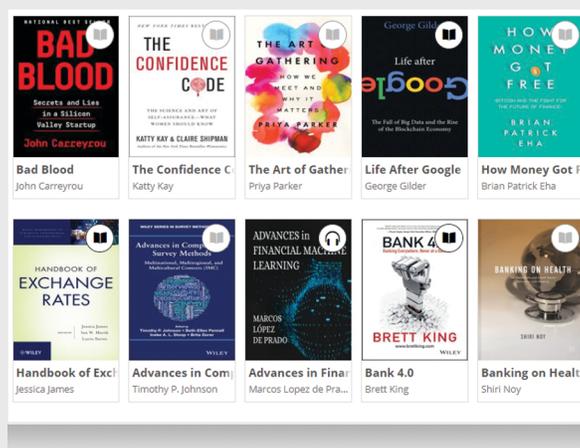

To start using Overdrive make sure you are connected to WBG or IMF Network or use an official tool for remote access.

Sign in at [librarynetwork.overdrive.com](http://librarynetwork.overdrive.com). When prompted, select your home institution and you will be signed in automatically.

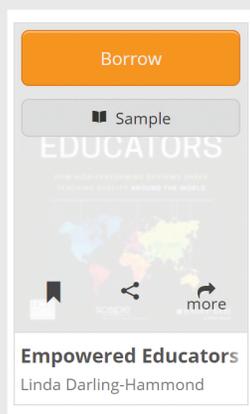

2

Browse all titles available

3

Select a book to read, then follow the link to *borrow* or *place a hold*. If the item is not available, enter your contact information to place a hold.

4

Select a format to access the eBook immediately.\*

\*To download via EPUB, Adobe Digital Editions must be installed on your computer.
